Dear Dr. Facciolo:

The Medical Staff Executive Committee (MSEC) has initiated a 'Physician of the Month' program to recognize significant achievements and contributions made by members of the Medical Staff at Cape Regional Medical Center (CRMC). Candidates are submitted for consideration and are voted upon by MSEC at its monthly meeting. I am pleased to inform you that you have been selected to receive the award for July 2007.

Congratulations and thank you for your many years of excellent service to CRMC. Your contributions as the Chair of the Credentials Committee, Chief of the Division of Orthopaedics, Member of the Medical Staff Executive Committee, Former President, Vice President and Secretary/Treasurer of the Medical Staff are the hallmarks of your distinguished career at CRMC.

On behalf of the Medical Staff Executive Committee and the CRMC Medical Staff, I am enclosing a token of our appreciation.

With very best regards,
